Deferred Payment Arrangements

At ComEd, we understand a little support goes a long way. We have options that can help you pay your energy bills and find a solution so that you continue to enjoy reliable, safe and affordable electricity.

What should I do if I can't pay my entire bill now?

To avoid disconnection of your electric service, a Deferred Payment Arrangement (DPA) is available to residential customers with a past-due balance. Once you make a down payment on the amount owed, the balance is paid through installments in addition to your regular monthly bill. You must contact us at **800-EDISON1** to enroll in a DPA. By enrolling and staying current on a DPA, you will avoid service disconnection.

How much will my down payment and monthly DPA be?

ComEd will work with you to determine a down payment and monthly DPA amount based on:

1. How much you owe,
2. Your ability to pay,
3. If you are LIHEAP-qualified, and
4. Any other factors that relate to the situation, including if you qualify for any financial assistance programs.

Do I have to pay my regular bills in addition to the installments?

Yes. Your monthly bill will include the installment needed to keep the DPA current. Your DPA will default if you pay late, or if you don't pay both the full amount of the monthly installment and the full amount of your current bill.

Can I be on a Budget Billing payment plan at the same time as the DPA?

Yes. Budget Billing is a great tool to help you plan your monthly payment. See below for more information.

Can I get back on a DPA if I default?

Yes. If you default by paying late or not paying the full installment and current charges, you can reinstate your DPA. You also may be able to renegotiate your current DPA. However, future defaults may subject your account to disconnection.

What if my economic situation changes and I cannot afford my DPA?

You may be able to renegotiate a DPA even if your DPA is in default.

How many DPAs can one account have?

Active customers can only have one DPA at a time.

How soon should I call about a DPA?

Call right away. Even if you think you may not qualify for a DPA, please call to discuss available assistance and payment arrangement options.

We are here to help!

Smart Assistance Manager

The new ComEd Smart Assistance Manager (SAM) tool will help you explore financial assistance and savings programs that are right for you. Easy-to-use and designed to offer support when you need it most, SAM delivers personalized recommendations based on your usage and billing history. This self-service tool helps you manage your bills in the comfort and privacy of your home, local library, or wherever you access the Internet - and helps you learn how to take control of your everyday energy use. Limited income customers can verify eligibility and all customers will find tips and offerings to help you save. Visit ComEd.com/SAM

ComEd.
An Edison Company

powering lives

Support IS ALL AROUND YOU

Low Income Home Energy Assistance Program (LIHEAP) Percentage of Income Payment Plan (PIPP)

LIHEAP is a federal program that provides a one-time grant to help you with energy bills. Whether you rent or own your home, LIHEAP offers financial assistance to limited-income households to help pay heat and electric bills.

PIPP is available for eligible LIHEAP customers to manage energy bills year-round. You're placed on a Budget Billing plan and your bill amount is split between the program benefit and your payment based on a percentage of your household income.

For open application periods and details on LIHEAP and PIPP, visit LIHEAPIllinois.com. Prefer to call instead? Residents of Chicago and Cook County can call 800-571-2332 for information. Residents of other counties may call 877-411-9276.

Budget Billing

Budget Billing provides a predictable monthly payment based on your electricity usage from the last 12 months. You'll know exactly what you'll pay each month so you can keep your budget in check.

Your electricity costs are spread evenly month-to-month by charging a pre-arranged amount with each bill. The payment amount is reviewed every six months and adjustments will be made as needed to help keep the payment in line with your actual usage.

DISCOVER MORE RESOURCES TO HELP YOU MANAGE YOUR ENERGY USE AND PAY YOUR ELECTRIC BILL.

Give-A-Ray

Eligible customers could save an average of \$400 on a year of energy bills at no cost to them! This is a new program from ComEd designed to increase your access to the benefits of solar energy and does not require any solar panels to be installed at your property. Customers who meet the eligibility requirements will receive a free subscription to a community solar project and credits on their energy bill for the energy generated by their share of the project. Give-A-Ray is made possible by Illinois Solar for All. Learn more at ComEd.com/GiveARay

More Savings and Convenience

We want your access to reliable energy to be even easier. To help, we have made some important changes. Additional fees are no longer assessed by ComEd on payments made by credit and debit card, or electronic checks. For more information, visit ComEd.com/Pay.

To offer you more convenience, eligible residential customers can have their deposits and late payment charges waived for a year. To see if you're eligible, please visit ComEd.com/Eligibility.

Energy Efficiency

Whether you rent or own your home, the ComEd Energy Efficiency Program offers a wide range of energy-saving opportunities designed to help you take control of your energy use and save money on your electric bills.

Program offerings include free energy assessments, and discounts and rebates on a variety of ENERGY STAR® certified appliances, smart thermostats, qualifying high-efficiency equipment and tune-ups, as well as online tools to help manage energy usage.

To learn more, visit ComEd.com/HomeSavings or call 855-433-2700.

Peak Time Savings

The Peak Time Savings program pays you back for reducing your energy use and it's FREE! Simply use less energy than you normally would on a few of the hottest days of summer and you'll receive credits on your energy bill. Enroll, make changes and save. There is no cost to enroll and no penalty if you enroll and don't participate – so there's no reason not to enroll today! Learn more at ComEd.com/PTS

8TH FLOOR SPEC SUITE

24 E WASHINGTON ST
CHICAGO, IL

24,410 sf | \$3 M | 5 MONTHS

CLIENT	Brookfield Properties
ARCHITECT	Lamar Johnson Collaborative
SERVICES PROVIDED	General Contracting Construction Management Self-Perform

PROJECT DETAILS

The 8th Floor Spec Suite is located just above the historically landmarked Walnut Room Restaurant within the Macy's on State Street building, here in Chicago. The interior build-out features custom millwork pieces, interior offices with glass fronts and collaboration areas. The project had to be carefully scheduled and planned around the holiday schedule of the department store as well as follow landmark guidelines during construction. Some highlights include historical repairs, replications or restorations to the plaster columns, ceilings, elevators, corridors and main lobby on the floor. There is a custom stage in the southwest corner, plant box walls dispersed throughout the corridors and a varietal of decorative light fixtures and furniture to warm the space.

TAX PLANNING TIPS

from **STIFEL** | The Heartland Group

Get Organized

Make a detailed checklist using our Stifel Tax Form Preparation Checklist to assist in gathering all necessary information.

Don't Forget to Claim Charitable Donations

Make sure to keep your receipts and tax letters for not only cash donations, but also noncash contributions, such as appreciated property, clothing, and household items.

Know When to Consult the Professionals

Hiring a tax professional to prepare your tax returns may not seem cost-effective, but it can save you money in the long run and will ensure proper and timely filings.

COMMERCIAL METALS COMPANY

Now Hiring General Laborers!

Help make the steel that builds America!

You probably interact with steel more than you think. Drive on roads, take a highway overpass, walk into a building... all of those have steel! (And around here, there's a pretty good chance it's CMC steel.)

If you're looking for an exciting opportunity to start a career, maybe you have what it takes to join CMC and help us make the steel that builds America! Working at CMC, you'll receive all the training, experience and support to start your career on a team of world-class steelmakers. With great benefits, pay and a family-like culture, we hope you'll take the opportunity to launch your career in the metals industry today!

We're hiring for several positions at CMC Rebar and Paving in Kankakee and Belvidere!

- Looking for: General Labor / Fabricators
- Manufacturing experience preferred
- 8-10 hour shifts per day
- Overtime available
- Temp-to-hire positions*

You'll get to operate fabricating equipment like shears, benders, crane and more!

* Positions are temp-to-hire. Interested candidates will need to work through local agency selected by CMC.

CMC EMPLOYEE BENEFITS

- Paid time off, holiday pay, military pay, time bank and vacation pay (after 90 days employment)
- Comprehensive medical, prescription, dental and vision insurance
- Flexible spending account options
- Company paid life and AD&D insurance (up to 2X pay)
- Company paid short term & long term disability insurance
- 401K & employee stock purchase plan
- Employee assistance program (EAP)

1st and
2nd shift
available!

\$16/hr.
